

PHOENIX T5 (PH)

T5 batten fittings with a body the same width as conventional T12 and T8 battens, making them ideal energy efficient replacements for older fittings.

APPLICATIONS

- Garages and workshops
- Store rooms
- Corridors and circulation areas

SPECIFICATION

- T5. Supplied with European brand colour 840 lamps
- ENEC control gear

CONSTRUCTION

- Robust steel body
- White gloss powder coat finish
- Polycarbonate end caps

OPTIONS

- **Emergency.** Maintained 3 hours available as listed. Suffix M3. 2x80W M3 Ta = 22°C. Not suitable for use with controller.
- **Dimming.** Add suffix 1-10, DSI, DA, SD or CF.
- **Attachments.** Full range available. See page 108
