

(MT) **MONTANA**

Prismatic panel

Recessed modular fittings for T8 lamps with a choice of 2 louvres or TP(a)/TP(b) rated prismatic controller.

APPLICATIONS

- Offices
- General commercial use

SPECIFICATION

- For T8 lamps. Supplied excluding lamps
- European brand ENEC control gear
- For 15-24mm exposed T ceilings

CONSTRUCTION

- Robust steel body
- White gloss powder coated finish

OPTIONS

- **Optics.** Available with a choice of 3 optics:
 1. **Louvre.** Available as standard with specular double parabolic louvre.
 2. **ALB louvre.** Aluminium low-brightness louvres available. Suffix ALB.
 3. **Prismatic panels.** TP(a) & TP(b) panels available, use suffix TPA or TPB. On M3 versions TP(b) is not available.
- **Emergency.** Maintained 3 hours available. Add suffix M3.
- **Dimming.** Add suffix 1-10, DSI, DA, SD or CF as required.
