MICHIGAN downlights are sold complete with a white steel bezel. The following attachments are available as separate items.

ALTERNATIVE BEZELS

Alternative bezels are available in chrome and satin chrome.

DROP-GLASS KITS

Drop glass kits consist of a drop-glass bezel (available in three 3 finishes, white, chrome and satin chrome), the glass itself (available in 4 patterns, inner frosted, outer frosted, all frosted and clear), pillars and fixing screws.

IP44 KIT

Kits to give the MICHIGAN an IP44 rating are available. Each kit is comprised of a gasket, an IP44 bezel (white only), the glass itself (4 patterns, frosted all-over, inner frosted, outer frosted and clear) and fixing screws.

DECORATIVE GLASS KITS

Decorative glass kits are available comprised of a bezel (3 finishes, white, chrome and satin chrome), the glass itself (1 pattern, frosted all-over) and a set of 3 decorative arms.
